June 2019

Dear Parent/Guardian:

Your child/children are invited to attend the Cops 'N Kids Reading Center Summer Program.

Our summer program, named, “**How Does Your Garden Grow**” revolves around our 2 Community Gardens on Marquette Street and on Villa Street. The kids plant the seeds, water and tend the gardens daily, harvest the fruits of their labor, prepare those foods to eat as their snack for the day, read and write stories about freshly grown foods and learn as much as possible about the foods they grow/eat and the choices they make. The teachers prepare healthy snacks and teach the children about making healthy choices. The children are encouraged to try different foods and in different ways.

It is the mission of Cops 'N Kids Reading Center to enable and empower all children to strive toward the fundamental successes in life – through recognition for the importance of reading.

Please check out the information below and complete the attached form as soon as possible if you are interested. You may also complete it and return it by dropping it through the mail shoot to the left of our front door at 800 Villa Street. We will have you complete the registration form on June 18th, 2019 when you bring your child/children. Please have your children wear tennis shoes (closed toes & heels) – No Flip Flops or Sandals - We recommend a hat as well. If your child needs sunscreen, please apply it before you drop them off. Please use the back door.

Any questions, please call Becky St. Martin @ 262-939-0107. Thanks.

Our Summer Program starts June 18th & Ends July 31st, 2019
