Dear Parents/Guardians:

Your child/children are invited to attend the Cops 'N Kids Reading Center summer program. Our summer program, titled, "How Does Your Garden Grow?" revolves around our 2 Community Gardens on Marquette Street and on Villa Street. This includes planting, weeding, watering, harvesting, reading, writing, measuring, graphing and garden related craft activities. Oh, don't forget the tasting! Snacks provided.

The children also read and write stories about freshly grown foods and learn as much as possible about the foods they grow and eat and the choices they make. Nutrition and healthy choices also play a big part of our summer program. The children are encouraged to try different foods and in different ways.

Please check out the information below and complete the attached form as soon as possible if you are interested. You may complete it and return it: 1) mailing it to Cops 'N Kids Reading Center at 800 Villa Street, Racine, WI 53403, 2) dropping it through the mail shoot to the left of our front door at 800 Villa Street or 3) email it to bstmartin@cops-n-kids.org.

Please have your children wear tennis shoes (closed toes & heels) - No Flip Flops or Sandals. We recommend a hat as well. If your child needs sunscreen, please apply it before you drop them off at CNK back door.

It is the mission of Cops 'N Kids Reading Center to enable and empower all children to strive toward the fundamental successes in life - through recognition for the importance of reading.

Any questions & to register, please call Becky St. Martin @ 262-939-0107.

Thank you,
