What we do at the Cops 'N Kids Reading Center: In addition to encouraging a love for Reading and teaching Reading and writing skills, we have a Computer Lab, Chrome Books and Tablets that the teachers incorporate into the curriculum, we occasionally have Art teachers/volunteers from the Racine Art Guild that also share their talents with the children and we have a piano on site. Occasionally we have a volunteer come in to play/educate the children in the art of Music. We also offer one on one tutoring to children enrolled and actively attending the current reading program, on a day other than their regular program day. The children are also fed a snack every day after school as most of them are famished by the time they arrive at the Center.

Donations accepted Monday – Thursday 4:00 – 6:00 pm & Saturdays between Noon & 2:00 pm.
Questions, contact Becky St. Martin – Administrative Assistant @ 262-939-0107.

“If you see a child without a book, PLEASE, give him one of yours!”
